

- Athens State University offers majors in business, arts and sciences, and education, allowing Northeast Alabama Community College students an easy way to apply their two years of college credit towards a four-year bachelor's degree.
- The 2+2 program means you can complete your first two years at NACC and transfer to Athens State to earn the last two years of your Bachelor's degree with a seamless transition.
- With close to 15 business degrees offered completely online, Athens State provides the flexibility and affordability to fit most any life schedule.
- Athens State University also offers education courses by Athens State instructors on the NACC campus.
- An Athens State Advisor is on campus Wednesday's and Thursday's from 9am-3:30pm to help you with your transfer questions in the Athens State University Center located in GYM 107. The Athens State University Advising Center at NACC can make transferring to Athens State an easy process.
- Scholarships are available with up to \$50,000 in new scholarships for NACC transfer students to celebrate Northeast's 50 years of service. The scholarships can be valued at up to \$2,000. Students only have to be accepted to Athens State (2.0 GPA) and be degree seeking at Athens State to be eligible to apply. They can apply online at www.athens.edu/celebrate-northeast-grant.

- Bryan College is a Christian, liberal arts school located in Dayton, Tennessee. The college offers courses completely online and onsite in Chattanooga, in a convenient 6 week format.
- Through a recently signed articulation agreement, NACC students graduating with an Associate of Science (AS) or an Associate of Art (AA) in any discipline can now transfer credit earned from Northeast to Bryan College. This agreement ensures students that all the courses they take here will transfer to this out of state school.
- An exciting benefit of this agreement is a \$1,000 scholarship will be awarded to **all** NACC graduates with an AA or AS who meet the entrance requirements at Bryan College. The scholarship award will be divided over the first three semesters of study.
- Another \$1,000 scholarship is specifically designated for NACC faculty and staff or their spouses. This scholarship may be used to help pay for bachelor's or masters programs.
- In addition, one full-tuition scholarship will be awarded each academic year to a NACC graduate completing an AA or AS degree with outstanding academic performance. This scholarship will include tuition for the core program courses and will not include fees, books, elective credits, or courses being repeated.

HUNTINGDON COLLEGE

faith, wisdom, service

at Northeast Alabama Community College

- After students complete an associates degree at NACC, they can finish a four year bachelor's degree in business management or criminal justice with Huntingdon at NACC.
- Students who major in business management can also select healthcare management as a concentration for their degree.

- Classes meet one night a week for five weeks. Students can complete three to five classes per semester this way.
- After students take their first class through Huntingdon, they should be able to progress to degree completion on-time in two years or less.
- Students taking classes on NACC's campus receive a deeply discounted tuition rate of \$765 per three-hour course. The tuition rate on Huntingdon's main campus (Montgomery) is \$2925 per three-hour course.

- FUSION! Is open to NACC students who plan to get an associates degree and pursue one of JSU's 62 bachelor's degrees.
- FUSION! gives students enhanced advising with JSU staff, application fee waiver, access to JSU athletic events and other campus activities, early registration, completing your degree "on-time", and most importantly a seamless transition to JSU.
- JSU also has a scholarship for transfer students called the JSU Presidential Transfer Scholarship. After NACC students finish their associate's degree and have at least a 3.5 GPA they receive a guaranteed scholarship that pays for 12 semester hours for four semesters.

- UAHuntsville recognizes the academic success of new transfer students who are seeking their first bachelor's degree by offering special two-year merit scholarship awards. Students who have at least a 3.0 GPA are guaranteed the transfer merit scholarship which is valued at \$1,500 annually. Students who have a 3.5 or higher GPA will be awarded a super scholar transfer scholarship valued at \$3,000 annually.
- The UAH Pathways Program (for engineering students) enables a more seamless transition from NACC to UAH. Engineering students register for the program within their first year at NACC. This program allows students to take 64 hours of general education courses at NACC, including the Charger Foundations and a set of courses that are unique to their major, but taught by NACC.
- Students in the Pathways Program can enroll in up to 12 hours of UAH coursework to be delivered on-site at NACC or via online education.
- If they maintain good standing, students will also receive a UAH tuition scholarship while in the Pathways Program. This scholarship will result in students paying tuition for UAH courses equivalent to the NACC tuition for each 3 credit hour course. This is a savings of approximately \$812 per 3 hour course!
- Lastly, the Pathways Program grants NACC students a UAH Charger ID card to allow them to attend UAH events, participate in UAH student organizations, and utilize UAH resources.
